

REMARKS/ARGUMENTS

Claims 1-2 and 4-20 are pending. Favorable reconsideration is respectfully requested.

Applicants would like to thank Examiner Coleman for the helpful and courteous discussion with their representative. During that discussion, the amendments submitted above were discussed, and the Examiner indicated that the amendments would be acceptable.

The rejection of the claims under 35 U.S.C. §112, first paragraph, as set forth at paragraph 7 of the Official Action is believed to be obviated by the amendment submitted above. The claims have been amended to specify "treating." Accordingly, withdrawal of this ground of rejection is respectfully requested.

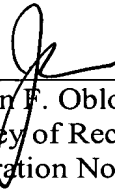

The rejection of the claims under 35 U.S.C. §112, second paragraph, as set forth at paragraph 8 of the Official Action is believed to be obviated by the amendment submitted above. Claim 3 has been canceled. Claims 7 and 8 have been appropriately amended. Accordingly, withdrawal of this ground of rejection is respectfully requested.

The objection to the specification as set forth at paragraph 8 of the Official Action is believed to be obviated by the amendment submitted above. The names of the compounds described in Examples 57 and 58 have been corrected.

Applicants submit that the present application is in condition for allowance. Early notice to this effect is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
